

## American Lincoln Part

American Lincoln Part - The American Lincoln division is currently associated with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines which are recognized within the business as durable and strong machinery which satisfies all the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These kinds of scrubbers are on the market under the brand name "Encore". American Lincoln can provide parts, warranty service and equipment for these scrubbers that have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility managers where results and efficiency make a difference. Recently, this particular floor scrubber model has been used by the architects in various construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors use this sweeper scrubber on site due to the model's utmost performance level and excellent quality for polishing concrete.
