

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than 60 years combined experience with successfully developing, marketing, manufacturing, designing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their customers and are committed to giving top quality and new design concepts in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They like offering products that energize both their partners and their dealers and provide production gains to their customers.

The TREK team of employees likes new challenges and new tasks. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' needs and skills together with their understanding of cleaning applications, along with owners' strong desire to significantly lessen expense through productivity gains.

The workers at TREK and their dealer-partners are strongly dedicated to having both technical support and parts obtainable when it is required. Their high service devotion is among the core values in their customer service. Keeping their customers' cleaning machinery ready and functioning everyday is top priority. The company's top of the line technology delivers dependable equipment which ultimately lessens your cost of cleaning. The service, the product and the price all work together to make them an industry leader.
